

Kenai Fjords National Park

Exit Glacier User Fee

Educational / Scientific Fee Waiver Request

National Park Service policy provides for a waiver of entrance and recreation use fees for visits conducted for educational or scientific purposes directly related to the park resources.

Groups requesting a fee waiver must meet each of the following three criteria:

1. The group must have official recognition by a local, state, or federal entity as an educational or scientific institution.
2. The use of the area or facility must directly relate to the educational or scientific objective of the visit
3. The educational or scientific purpose of the visit must be stated and must relate to the park resources.

Please provide the following information and return this form to:

Superintendent, Kenai Fjords National Park
P.O. Box 1727
